

# Industrial Rehab

**You have a choice in where to go  
for physical therapy!**

**Choose Northern Rehab!**

Northern Rehab offers **Industrial Rehab** programs to help reduce susceptibility to workplace injury, improve physical performance, and assist with faster return to full duty. These programs can help improve employee's productivity and reduce workers compensation claims. Our programs emphasize employee education on fitness, ergonomics, and principles of injury prevention and may include work site analysis and on-site clinics.

## **Services Offered:**

- **Work Conditioning:** Intensive, work-related, goal-oriented conditioning program designed for injured employees that have been off work for extended periods
- **Functional Capacity Evaluations (FCE):** Provides information on injured employees work capabilities and limitations. The client's level of participation, work behaviors, cooperation, and effort are also assessed.

## **Why choose Northern Rehab?**
